All India Ophthalmological Society, 2025

(27th Annual conference of Punjab Ophthalmological Society)

FOREWARD

Prof (Dr.) Namrata Sharma
Chairperson Scientific Committee

Dear Colleagues,

At the outset, I thank every member of the All India Ophthalmological Society, which stands tall with the largest number of lifetime members worldwide. As the Chairperson of Scientific Committee, it is an honor and pleasure to serve the society.

Abiding by the format of the Mid-term meeting held last year, we invited submissions under various categories, such as case presentations, E-posters, physical posters, free papers, video submissions, and faculty talks. We are glad to have received an overwhelming response from enthusiastic ophthalmologists throughout India with over 1,474 submissions in the various categories. I acknowledge our scientific committee members hard work and relentless effort in choosing the best scientific content among the submissions and framing the scientific program accordingly, which was a herculean task.

Apart from this, the SSTC, TSTC, and DSTC which are an integral part of our meetings to help in the training of budding ophthalmologists will continue with the sincere efforts of the coordinators and scientific committee members. Our special programs, which amalgamate science with entertainment such as the Ophthalmic Premiere League, Court Martial, Science and Fun in Ophthalmology and Walk the Talk are also a part of the fun-filled scientific agenda in the beautiful city of Amritsar.

The scientific sessions have been carefully and meticulously drafted to benefit the multifaceted range of ophthalmologists throughout the country including postgraduates, fellows, and trainees of various ophthalmic sub-specialties, private practitioners, general ophthalmologists and expert ophthalmologists of various subspecialties. The lectures and case presentations have been adapted with a different outlook and unique style by our committee members to engage the bright ophthalmic minds of our society. This conference is being held encompassing the latest techniques and technology available to us to make learning and networking a pleasurable and memorable experience for our members. The conference has been granted 11 CME points by Punjab Medical Council.

I thank the local Punjab State Ophthalmologic Society organizing committee for their extensive support and cooperation in providing the logistics at the venue and overall formulation and organization of the conference. I hope that our sincere efforts and execution will make this a conference a wonderful scientific extravaganza.

Looking forward to meeting everyone.

Best Wishes

Regards,

Prof (Dr.) Namrata Sharma

MESSAGE

Dr. Partha Biswas
President

Dear Friends and Colleagues,

It gives me immense pleasure to welcome you to the **4th Mid-term AIOS Conference 2025**, being held in conjunction with the **27th Annual Conference of the Punjab Ophthalmological Society**, from **26th to 28th September 2025** at the **Radisson Blu Hotel, Amritsar, Punjab**.

With a dynamic scientific program curated by AIOS and POS, this collaborative academic gathering reflects our shared vision to foster excellence in ophthalmology. With an enriching scientific program—featuring faculty talks, interactive case presentations, and abstract sessions—this conference offers an exciting opportunity for learning and sharing the latest in clinical advancements. I encourage each one of you to participate actively—whether through faculty talks, case presentations—and help elevate the scientific standards of our community.

Beyond the conference halls, Amritsar welcomes you with its deep-rooted history and vibrant culture. Visit the sacred Golden Temple, witness the patriotic fervor at the Wagah Border, and indulge in the city's world-famous Punjabi cuisine. Take this opportunity not only to learn and connect but also to rejuvenate amidst the charm of Amritsar.

I extend my heartfelt thanks to the Local Organising Committee, led by:

- Dr. Shakeen Singh – Chairman
- Dr. Rohit Om Prakash – Co-Chairman
- Dr. Raman Mittal and Dr. Karamjit Singh – Organising Secretaries
- Dr. Kiranjit Singh – Treasurer

Our gratitude also goes to the Scientific Committee of AIOS and POS, under the leadership of: Prof. (Dr.) Namrata Sharma, Chairperson, Sci. Comm. AIOS along with the AIOS Scientific Committee Members- Dr. Somasheila Murthy, Dr. Jatinder Singh Bhalla, Dr. Pradip Kumar Mohanta, Dr. Piyush Bansal, Dr. Vardhaman Kankaria, Dr. Amit Porwal, Dr. Fairouz P. M and Dr. Raman Mittal, Chairman, Scientific Committee, POS

Let us come together in the spirit of knowledge, camaraderie, and collective growth. I invite you all to be part of this academic celebration in Amritsar—where science meets culture, and learning blends with lasting associations. Your presence will truly enrich the conference, and I look forward to welcoming each one of you to an inspiring and memorable experience.

Warm regards,

Dr. Partha Biswas
President, AIOS

MESSAGE

Dr. Santosh G. Honavar

Honorary General Secretary

Dear friends,

I am delighted to extend a warm welcome to each of you to the 4th Mid-term Conference of the All India Ophthalmological Society, scheduled from September 26 to 28, 2025, in the sacred city of Amritsar. This meeting is being held in collaboration with the Punjab Ophthalmological Society.

We gather under the stellar leadership of Dr. Partha Biswas (President), Dr. J. S. Titiyal (President-Elect), Dr. Mohan Rajan (Vice-President), Dr. Manoj Chandra Mathur (Honorary Treasurer), Dr. Namrata Sharma (Chair, Scientific Committee), Dr. Prashant Bawankule (Chair, Academic and Research Committee), Dr. M. Vanathi (Editor-Journal), Dr. Krishna Prasad Kudlu (Editor-Proceedings), Dr. Vijay Gopala Raju (Joint Secretary), and Dr. Elankumaran P (Joint Treasurer). Their guidance has been invaluable. The very active and deeply experienced AIOS Managing Committee has provided practical guidance from time to time.

Our heartfelt appreciation is due to the Local Organizing Committee: Dr. Shakeen Singh (Chairman), Dr. Rohit Om Parkash (Co-Chairman), Dr. Raman Mittal (Organising Secretary), Dr. Karamjit Singh (Organising Secretary), and Dr. Kiranjit Singh (Treasurer). Their careful planning ensures a seamless and impactful meeting.

We are also privileged to have support from the Punjab Ophthalmological Society: Dr. Balbir S. Bhaura (President), Dr. Jatinder Kansal (Vice-President), Dr. Karamjit Singh (General Secretary), Dr. Raman Mittal (Chair, Scientific Committee), and Dr. Shaffie Baidwal (Treasurer). Collaboration with POS enriches our collective efforts.

The scientific program promises to be exceptional, curated under the stewardship of Dr. Namrata Sharma, Chairperson of the Scientific Committee, and featuring contributions from a distinguished panel of national experts. Importantly, the conference has been granted 11 CME credit points by the Punjab Medical Council, adding further value to your participation.

Do not miss the trade exhibition, an outstanding opportunity to explore innovations and connect with industry leaders. With over 1,500 delegates expected, this will be a vibrant platform for learning, discovery, and networking.

Please join us for the inauguration on Friday, and the Punjab-themed cultural evening and gala dinner on Saturday, which celebrate our camaraderie and shared passion. The LOC has also thoughtfully arranged visits to the Golden Temple and the Wagah Border for the discerning.

We eagerly await your presence in Amritsar for a conference filled with learning, innovation, and memorable exchanges.

Thank you for your continued contributions. Let us gather in Amritsar to inspire and be inspired.

Warm regards,

Dr. Santosh G. Honavar

MESSAGE

Dr. Manoj Chandra Mathur

Treasurer

Respected Seniors and Dear Colleagues,

It gives me immense pleasure to welcome you all to the historical, enchanting and Holy City of Amritsar, for the 4th Annual Midterm Conference of AIOS

The local Organising Committee led by Chairman Dr Shakeen Singh, Co-Chairman Dr Rohit Omprakash, enthusiastic Organising secretaries Dr Raman Mittal and Dr Karamjit Singh and treasurer Dr Kiranjit Singh, promises to be an academic treat and a social extravaganza.

The OBSC AIOS under the leadership of our president Dr Partha Biswas and stewardship of Secretary Dr Santosh Honavar, visited the Venue, Hotel Radisson Blu and supervised all arrangements with minute focus on logistics and delegate comfort.

This weekend event is being organised through September 26-28, 2025, at the Radison Blu hotel which is just a 5 minutes' drive from the airport. The scientific committee led by its dynamic Chairperson Dr Namrata Sharma has designed a sumptuous scientific fare. All types of presentations including Free papers, posters, video presentations and faculty talks form the core scientific fare apart from the practical Hands-on Diagnostic, technological and surgical courses. A finely curated Trade Exhibition shall satiate your need for replenishing your equipment' and instruments.

A shout out to all AIOS members to attend in large numbers with families, take a well-deserved spiritual break from the routine and enjoy a special camaraderie.

Amritsar offers multiple options for a memorable Holiday and sightseeing around. The LOC has organised a special temple visit to The Golden Temple and is also facilitating the visit to Attari Border for the retreat event that is organised there.

Hearty Welcome

Sincerely Yours

Dr Manoj Chandra Mathur

Science & Fun Ophthalmology

Date:
Saturday, 27 September 2025

Time:
12:15 – 01:30

Ball room 2 & 3 (Hall A)

Moderators : Lalit verma, Harbansh Lal, Tinku Bali, Ikeda Lal
Judges : TP Lahane, Shakeen Singh, Ragini Parekh, Namrata Sharma

In real life, success depends on hard work, knowledge and intellect.

But to be real winner, you need to be lucky as well.

This game show brings us closer to real-life situations where knowledge and luck play a critical part.

There will be four teams (Each consisting of 4 members), which will challenge each other on a scientific form at never been used before.

There will be four rounds, namely:

1. Medical management (case presentation for 3 min) of challenging and interesting cases
2. Surgical case for 3 minutes (video based)
3. Quiz where every team gets 2 minutes to answer as many questions as possible.
4. Life Style question – by Judges for 1 minute

Judges will be giving marks on all 4 rounds.. Based on these marks, Scientific Winning team will be announced.

LUCK PART : Now we add the luck part into the mix. After the judges have allotted the marks, roll of dice/roulette will add additional points to the score. Then a coin will be moved depending on the total score on a snake and ladder board to decide the final position and this will be done for each round.

In the end, the total of all four rounds will be added up and there will be two winning teams:

One based only on science another based on Science + Luck both.
