Foreword

Prof (Dr.) Namrata Sharma

Dear Colleagues and Friends,

It gives me immense pleasure to welcome you to the **84th Annual Conference of the All India Ophthalmological Society (AIOC 2026)**, scheduled to be held from **12th to 15th March 2026** at the Novotel Jaipur Exhibition & Convention Centre, Jaipur.

AIOC 2026 promises to be a landmark academic event, thoughtfully designed to foster learning, innovation, collaboration, and professional growth across all levels of ophthalmic practice. The scientific program reflects the collective efforts of a dedicated faculty and committee, aiming to deliver a truly enriching experience.

This year's conference features an impressive academic spectrum, including several **Instruction Courses and Young Master Courses**. Further, there are **68 International Speakers from various countries including USA, UK, Japan, Argentina, Mexico, Canada, France**. There are **17 International Societies including EUCORNEA, Japan Contact Lens Society, Canadian Ophthalmological Society, PANCORNEA, MEOM etc.**

Overall there are 2800 + Podium presenters. The conference highlights include **7 Subspecialty Days**, National Symposia, *When the Tough Gets Going*, **PG Capsules** and **Eye Shala** for postgraduates, **Leadership Development**, Science and Fun, **Ophthalmic Premier League Program, Wet Labs, Student of the Year, Think Under the Apple Tree, Training the Teachers**, Competitive and Award Sessions, **AIOC Theatre**, Video Sessions, **Teachers of Tomorrow**, A Surgical Medical Trick, **OOPS in Surgery – What's Your Next Move**, and **One Point @ a Time**.

Set against the vibrant cultural backdrop of Jaipur, AIOC 2026 aims to provide not only cutting-edge scientific deliberations but also opportunities for meaningful networking and camaraderie among peers from India and across the globe.

I would like to thank Dr Partha Biswas (President AIOS), Dr. J. S. Titiyal (President Elect), Dr. Mohan Rajan (Vice President), Dr Santosh G Honavar (Hony. General Secretary), Dr. Manoj Chandra Mathur (Hony. Treasurer), Dr. Prashant Keshao Bawankule (Chairman ARC), Dr. M. Vanathi (Editor-Journal), Dr. Krishna Prasad Kudlu (Editor-Proceedings) Dr. Samar Kumar Basak (Immediate Past President) along with Scientific Committee and ARC members for their help.

The 84th Annual Conference of All India Ophthalmological Society

Also the local Organizing Committee under the able leadership of Chairman Dr Virendra Agarwal, Addl. Chairman Dr Sandeep Vijay, Dynamic Organising secretary Dr Mukesh Sharma, Treasurer Dr Ghulam Ali and member Dr Harshul Tak, promises to be an academic and social extravaganza.

I look forward to welcoming each one of you to Jaipur for three and half days of academic excellence, shared learning, and memorable experiences.

With warm regards,

Namrata Sharma

Know Your Incoming President

Prof Dr. Jeewan Singh Titiyal

Professor Dr. Jeewan Singh Titiyal, President of the All India Ophthalmological Society (AIOS) for 2026-2027, is a distinguished academician, clinician, researcher, and teacher who has devoted more than four decades to the service of ophthalmology and society. Coming from a humble background in the remote hills of Uttarakhand, his journey reflects resilience, dedication, and an unwavering commitment to excellence.

His early schooling took place in the challenging terrains of District Pithoragarh, Block Dharchula, in the village of Tidang before he completed his intermediate education in Lucknow. A year of pre-medical coaching paved the way for his admission to the All India Institute of Medical Sciences (AIIMS), New Delhi, where he joined as an undergraduate student in 1978 an institution that would become the foundation of his illustrious career.

After completing his postgraduate training in ophthalmology in 1987 at the prestigious Dr. Rajendra Prasad Centre for Ophthalmic Sciences, AIIMS, he joined the Cornea and Cataract Refractive Surgery unit in 1988. This phase proved transformative, enabling him to perform corneal transplantation surgeries and restore vision to countless individuals suffering from corneal blindness. In 1991, he joined AIIMS as a young faculty member, beginning a lifelong journey as a teacher and mentor. Rising steadily through academic ranks, subsequently he was selected and appointed Professor in 2005 and later Head of the Cornea and Refractive Surgery Unit, where he played a pivotal role in strengthening postgraduate education, teacher training, infrastructure development, and research. His efforts significantly elevated patient care, diagnostics, teaching, and research at AIIMS to international standards. He subsequently served as Chief of the Dr. RP Centre in 2021 and later as Dean of Research at AIIMS, New Delhi, before superannuating in December 2024. Following this, he embarked on a new chapter with Dr. Agarwal's Healthcare Group, contributing to the establishment of their first hospital in the NCR region, located in South Delhi as Regional head clinical services. In year 2025 the Ministry of Health and Family Welfare, Govt. of India nominated him as President of AIIMS, Rajkot, Gujrat.

Dr. Titiyal has been an active member of the ophthalmic community for over three decades, contributing extensively to academic programs, instructional courses, live surgical demonstrations, and wet lab training. He has played a key role in formulating several AIOS guidelines and has represented AIOS at the Ministry of Health and Family Welfare, Government of India, for various regulatory initiatives. He has been honored by nearly every state ophthalmological society in the country and has delivered numerous orations and keynote addresses. Internationally, he is widely respected and has received the Senior Achievement Award from the American Academy of Ophthalmology and the Asia-Pacific Academy of Ophthalmology, as well as the Distinguished Service Award from the Asia-Pacific Ophthalmology Society. He is also a certified educator of the Asia-Pacific Association of Cataract and Refractive Surgeons (APACRS) and holds the distinction of being the first Indian to perform live surgery at the ASCRS platform. He has to his credit more than 400

Incoming President

publications in peer reviewed journals, 8 books, 100 chapters and more than 2000 talks. He is ranked top 2 percentile in most cited researcher in Ophthalmology as per the Stanford University study completed many research projects of significance to clinical practice. In recognition of his outstanding contributions to medicine and society, the Government of India honored him with the Padma Shri Award in 2014.

Beyond his academic and professional achievements, Dr. Titiyal is widely admired for his humility, approachability, and compassion. Despite his association with the highest levels of governance and leadership, he has always treated every individual with equal respect and care whether a senior official or a member of the most vulnerable sections of society. His philosophy has consistently centered on service, equity, and human dignity. As a teacher, his focus has not only been on enhancing clinical expertise, surgical skills, and research aptitude, but also on building confidence in his students and colleagues, empowering them to surpass their mentors and become leaders and teachers for future generations.

Dr. Titiyal is deeply supported by his close-knit family. His wife, Mrs. Basanti Titiyal, a devoted homemaker, has been a pillar of strength, managing family and social responsibilities and enabling him to dedicate himself fully to his professional commitments. Their children, Dr. Hemant Titiyal and Dr. Renuka Titiyal, are both medical professionals; his son pursuing public health and his daughter serving as faculty in the Department of Medicine at Safdarjung Hospital and Vardhman Mahavir Medical College. His siblings have also been a constant source of support, including his younger brother, Dr. Govind Singh Titiyal, a renowned ophthalmologist and Principal of Government Medical College in Haldwani, Uttarakhand. Rooted in his village and values, Dr. Titiyal continues to draw strength from his family and community. With a vision focused on inclusivity, excellence, and future readiness, Dr. Jeewan Singh Titiyal aims to bring out the best in every individual and shape a future that benefits generations to come.

President's Message

Dr. Partha Biswas

“When purpose is shared, Vision becomes Legacy”

Dear Esteemed Colleagues, Seniors, Teachers, and Dear Friends,

As I stand before you at the 84th Annual Conference of the All India Ophthalmological Society, my heart is filled with gratitude, pride, and deep emotion.

AIOC 2026 is not merely a conference – it is the culmination of a year-long journey of dedication, collaboration, and tireless effort by countless hands and brilliant minds who believed in a shared vision of excellence.

Over this past year, serving as your President has been an incredibly giving experience. It has humbled me, strengthened me, and enriched me beyond measure. I have witnessed first-hand the passion with which our members work – not for recognition, but for the advancement of Indian Ophthalmology and the betterment of patient care across our nation.

I am proud that together, we translated vision into action.

AIOS SEE Project - The first National AIOS Project formally accepted by the Ministry of Health & Family Welfare. This landmark National survey of Refractive Error and Refractive Error Coverage in School Going Children reflects our commitment to structured, nationwide ophthalmic outreach and sustainable eye care delivery to the child population of our country .

READS Project - Phase 2 – Strengthening accessibility, equity, and digital academic empowerment across regions, ensuring that standardised and structured training of our ophthalmic residents truly reaches every corner of our country.

National Diabetic Retinopathy Project – A focused, mission-driven initiative to combat one of the leading causes of preventable blindness in India, reinforcing AIOS responsibility toward public health.

These are not just projects - they are foundations for the future. They represent continuity, collaboration with the Government of India, and AIOS stepping confidently into a leadership role in national eye health policy.

When I assumed office, I carried with me a simple yet powerful resolve – that AIOS must not only lead academically, but also serve nationally.

This colourful, vibrant, academically rich conference is the result of relentless teamwork.

I express my deepest gratitude to our Office Bearers:

Dr. Jeewan S. Titiyal - President Elect

Dr. Mohan Rajan - Vice President

Dr. Santosh G. Honavar - Honorary General Secretary

Dr. Manoj Chandra Mathur - Honorary Treasurer

Dr. Prashant Keshao Bawankule - Chairman ARC

Dr. Namrata Sharma - Chairperson, Scientific Committee

Dr. C. V. Gopala Raju - Joint Secretary

The 84th Annual Conference of All India Ophthalmological Society

Dr. Elankumaran Pasupathi - Joint Treasurer
Dr. M. Vanathi - Editor, Journal
Dr. Krishna Prasad Kudlu - Editor, Proceedings
Dr. Samar Kumar Basak - Immediate Past President

A special word of appreciation to our Scientific Committee Members-

Dr. Somasheila I. Murthy, Dr. Jatinder Singh Bhalla, Dr. Pradip Kumar Mohanta, Dr. Piyush R. Bansal, Dr. Vardhaman Kankaria, Dr. Amit Porwal, and Dr. Fairooz Puthiyapurayil Manjandavida.

My heartfelt thanks to the Academic & Research Committee Members -

Dr. Tinku Bali, Dr. Kasturi Bhattacharjee, Dr. Shrinivas M. Joshi, Dr. Anagha Heroor, and Dr. Deepak Mishra.

To the extraordinary Local Organising Committee of Jaipur, under the dynamic leadership of:

Dr. Virendra Agrawal - Organizing Chairman
Dr. Sandeep Vijay - Addl. Chairman
Dr. Mukesh Sharma - Organizing Secretary
Dr. Gulam Ali Kamdar - Organizing Treasurer
Dr. Harshul Tak - Core Member

Along with the numerous Patrons, Chief Advisors, Advisors, committee members, volunteers and evaluators who worked tirelessly behind the scenes – this magnificent conference stands as a testament to your commitment and teamwork.

This year has reaffirmed a simple truth - AIOS is not defined by a position, but by people.

It is powered by collective intent. It thrives on shared dreams. It grows because of selfless service.

As I conclude my tenure, I do so with immense satisfaction and gratitude. This one-year journey has been profoundly fulfilling – not because of titles held, but because of trust received and bonds strengthened.

It is my honour to welcome our incoming President, Dr. Jeewan Singh Titiyal. A visionary academician, an inspiring teacher, and a leader of exceptional integrity, I am confident that under his stewardship, AIOS will scale greater heights and continue to illuminate the path of excellence for generations to come.

Let AIOC 2026 be remembered not only for its scientific brilliance, but for the spirit of unity, camaraderie, and inspiration that binds us as one ophthalmic family.

Warm regards,

Dr. Partha Biswas
President, AIOS

Dr. Santosh G. Honavar

"Science is a way of thinking much more than it is a body of knowledge."

– Carl Sagan

Dear Esteemed Colleagues and Friends,

It gives me immense pleasure to welcome you to the 84th Annual Conference of the All India Ophthalmological Society (AIOC 2026), to be held from 12th to 15th March

2026 in the historic city of Jaipur.

The words of Carl Sagan beautifully capture the ethos of AIOS. For us, science is not merely information - it is a disciplined curiosity, a commitment to evidence, and a responsibility toward our patients. The scientific program of AIOC 2026 stands as a reflection of this philosophy.

Meticulously curated by the Scientific Committee, the program offers a comprehensive academic experience through instruction courses, symposia, keynote lectures, free paper sessions, poster presentations, surgical videos, wet labs, and skill transfer courses. It integrates foundational research, clinical innovation, technological advancement, and evidence-based practice across every subspecialty of ophthalmology.

From young researchers presenting emerging ideas to master clinicians sharing decades of wisdom, AIOC 2026 embodies AIOS's enduring culture of mentorship, scholarship, and scientific integrity. The depth and diversity of this program reaffirm AIOS as a leading force in advancing ophthalmic science nationally and globally.

Beyond science, AIOC 2026 celebrates the spirit of fellowship and shared purpose that binds us as a professional family.

We eagerly look forward to the Grand Inauguration Ceremony on March 12, featuring an inspiring address by renowned author and thought leader Chetan Bhagat. His reflections on innovation, resilience, and contemporary India promise to energize us. The evening will also showcase "Utsav" - the AIOS Zonal Cultural Competition, celebrating the extraordinary artistic talents within our community and reflecting the vibrancy, diversity, and unity that define AIOS.

On March 13, we have planned a grand Music and Dance Extravaganza featuring the acclaimed musical duo Salim-Sulaiman, along with a special performance by Elli AvrRam, followed by the Gala Dinner - an evening of celebration, camaraderie, and shared memories.

The conference will also host a large and dynamic Trade Exhibition, bringing together leading national and international industry partners to showcase the latest technologies, diagnostics, surgical platforms, pharmaceuticals, and digital innovations shaping the future of ophthalmology. The Technology Pavilion will offer delegates an immersive experience into emerging advancements and next-generation solutions transforming eye care delivery.

A special highlight will be the YOSI Pavilion, creating a vibrant space dedicated to the aspirations and initiatives of the Young Ophthalmologists Society of India. Complementing this is the Career Fair by

General Secretary

The 84th Annual Conference of All India Ophthalmological Society

AIOS-YOSI, designed to guide young ophthalmologists through diverse career pathways, fellowships, research opportunities, practice models, and leadership development - reinforcing AIOS's commitment to nurturing the next generation.

The conference thus provides invaluable opportunities for mentorship, leadership dialogue, collaborative engagement, and industry interaction - ensuring that learning extends beyond lecture halls into meaningful professional connections.

Since its inception in 1930, AIOS has remained steadfast in its mission to promote ophthalmic science, ethical practice, education, and service. AIOC 2026 carries this proud legacy forward - where knowledge meets innovation, and science is complemented by culture, camaraderie, and collective aspiration.

I extend my heartfelt gratitude to the AIOS Office, Local Organising Committee, faculty, presenters, sponsors, and every member whose dedication makes this conference possible.

I warmly welcome you to AIOC 2026. May it be intellectually enriching, professionally transformative, and personally memorable.

Warm regards,

Dr. Santosh G. Honavar

Respected elders and dear colleagues

It gives me immense pleasure to welcome you all to Jaipur, renowned for its grand cultural and historic heritage and warm hospitality, for the 84th Annual Conference of AIOS

The local Organising Committee led by the dynamic Chairman Dr Virendra Agarwal, Addl. Chairman Dr Sandeep Vijay, enthusiastic Organising secretary Dr Mukesh Sharma, Treasurer Dr Ghulam Ali and member Dr Harshul Tak, promises to be an academic and social extravaganza.

The National organising committee under the leadership of our president Dr Partha Biswas and stewardship of Secretary Dr Santosh Honavar, held multiple meetings and supervised all arrangements with minute focus on logistics and delegate comfort.

This four-day event is being organised at Jaipur Exhibition Convention Centre – Hotel Novotel in the PINK CITY, Jaipur. The scientific committee led by its dynamic Chairperson Dr Namrata Sharma has designed a sumptuous scientific fare.

A sincere shout out to trade for pitching in to showcase their products as always. The entire earmarked trade area is lapped up for Trade Exhibition. We have done our bit by appointing experienced and reliable vendors for Event management, fabrication, Audiovisual and also expect a culinary treat from the world-famous Rajasthani cuisine

Jaipur offers multiple options for a comfortable stay and sightseeing around. The weather in mid-March is comfortable. I am excited to meet you all in Jaipur

Sincerely Yours

JAIPUR

Weather in Jaipur

March is generally pleasantly cold with temperatures ranging between 12°C to 24°C. Light winter clothing is recommended.

Air Connectivity

Jaipur is well connected to all major cities of India. Jaipur International Airport is the 11th busiest airport in India and largest in state of Rajasthan. It serves as a gateway to other tourist destinations in Rajasthan.

Train Connectivity

Jaipur Junction is well-connected to major Indian cities via a network of express, superfast, and local trains. It provides essential amenities for passengers, including waiting rooms, ticket counters, food stalls, and restrooms. The famous Palace on Wheels luxury tourist train also makes a stop at this station.

PLACES TO SEE IN JAIPUR

Amer Fort: Made out of red sandstone, Amer Fort was built by Raja Man Singh in 1592. Amer fort, located high on a hill, is an exquisite example of the Hindu and Mughal architecture.

The renowned 'Palace of the Winds; or **Hawa Mahal** is built of red and pink sandstone, has been constructed in the form of the crown of Krishna, the Hindu God.

City Palace is an overwhelming complex of exquisite palaces, garden and court yards, decorative art and cover doorways.

A visit to Jaipur is incomplete without a visit to the historic **Jantar Mantar**. It is one of the five observatories built by Swai Jai Singh in 1718, housing a collection of astronomical instruments and the world's biggest sundial.

Albert Hall Museum, also known as Central Museum, is a grand old building hosts an eclectic array of tribal dress, diaramas, sculptures, miniature paintings, carpets, musical instruments and even an Egyptian mummy.

Jahalana Safari, a part of the Jaipur sanctuary is located about 12 km from Jaipur on the Jaipur - Delhi highway encompasses a large area of 720 hectares and is situated under the Aravalli range.

The 84th Annual Conference of All India Ophthalmological Society

Govind Dev Ji: A revered idol of Lord Krishna, believed to have been manifested by Lord Krishna's great-grandson, Bajranabh, and worshipped for centuries, located in the City Palace Complex, Jaipur

Galta Ji: An ancient Hindu pilgrimage site near Jaipur in the Aravalli Hills, known for its unique pink sandstone architecture, natural springs, and series of sacred water tanks (kunds) where pilgrims bathe

Nahargarh Fort built mainly in 1734 by Maharaja Sawai Jai Singh, stands on the edge of the Aravalli Hills, overlooking the city of Jaipur.

Jaigarh Fort is situated on the promontory called the Cheel ka Teela (Hill of Eagles) of the Aravalli range; it overlooks the Amer Fort and the Maota Lake, near Amer in Jaipur.

Bapur Bazar: A vibrant, traditional marketplace in the heart of Jaipur's Pink City, famous for its authentic Rajasthani textiles (Bandhej, Sangneri prints), Mojari footwear (camel leather shoes), handicrafts, artificial jewelry, and home furnishings at affordable prices.

Gatore, a historic royal crematorium and cenotaph complex, known for its stunning blend of Rajput and Mughal architecture, featuring intricately carved sandstone and marble pavilions (chhatris) honoring the Kachwaha Rajput rulers of Jaipur, offering a glimpse into the city's regal past.
